RYAN CLANFORD FOUNDER

WHIRLPOOLS, SPAS, BATHS AND ACCESSORIES

Many companies offer whirlpools, spas and baths, but Aquastream is different.

## About Aquastream

With Aquastream, you benefit from five guiding principles: quality, service, innovation, reliability and technology. We believe passionately in achieving the best in everything we do. From our designers' expertly selected materials, through the manufacturing process and most importantly our after-sales service, we put your comfort and luxury first at every stage.

At Aquastream, our main aim is your relaxation. Choose from our range of elegantly crafted whirlpools and spa systems, or create your own system by using our bespoke design service. You can even combine this with one of our superb baths to indulge in a truly luxurious experience. We want to help you feel invigorated and ease the stresses of the day within the sanctuary of your home. We look forward to being of service to you.

## The very best service, and much more

We take pride in offering a tailored service as individual as you are, giving you a wide choice of whirlpools, home spas, baths and accessories. We've developed our products to perform reliably and look stunning, and to suit any lifestyle. They're all produced in the UK to the most exacting standards, by highly skilled technicians. And this quality is backed up by our dedicated customer service team, who are ready to offer you expert advice if you need it.

## Whirlpools, spas and optional extras

Every decision we make at Aquastream is based on our commitment to your well-being and relaxation. We've specially developed our whirlpools and spas to reduce the effects of stress, sooth tense muscles, and ease aches and pains with a gentle all-over hydro massage. Choose from one of five carefully designed systems, or build your own home spa using our bespoke service. You can also enhance your selection with a number of extra features. Indulge yourself. You deserve it.

## Bespoke fitting – it's your choice

Unlike other suppliers, we can bespoke fit any of our systems to your choice of bath, helping you design your own spa or whirlpool. And if you want to add extra jets or upgrade your pump for added performance, we can do this for you too. Whatever your vision may be, we can help you bring it to life. Your bathroom retailer will be happy to guide you through this personal service.

## Clean, hygienic technology – Aqua Dryjet™

All Aquastream whirlpools come fitted as standard with our 100% draining Aqua Dryjet™. Years of research along with advanced clinical engineering have resulted in a whirlpool jet with unique properties. The internal structure of each jet has a myriad of cleverly designed angles allowing our whirlpool systems to easily drain away any water residue from within each jet. To ensure your whirlpool remains in great condition we recommend cleaning your system every 2-3 weeks with Aquaclean Whirlpool cleaner, available from your chosen stockist.

## Why choose a whirlpool or spa?

Whether visiting a spa, health resort or wellness centre, looking for the ultimate relaxation and rejuvenation experience is by no means a new phenomenon. Going back through time, people have been enjoying the benefits of bathing in water for thousands of years. The word 'spa' originates from the Latin words 'Espa' (fountain) and 'Sparsa' (from spargere = to bubble up). The tradition of 'spa going' goes back through time from ancient Greece, Rome and laterally Western European societies. All have recognised and enjoyed the health and wellness benefits of relaxing in water. And now, with help from us, you too can experience them in your own home.

### 6 JET AQUASPA Simple and elegant

The 6 Jet AquaSpa is the perfect way to start enjoying all the benefits of hydro massage. Simple, elegant and cost effective, it delivers an energising whirlpool experience and will fit into any bath and meet all budgets. For added relaxation consider adding a chromatherapy light featured in the optional extras section of this brochure.

- 6 chrome adjustable Aqua Dryjet™ whirlpool jets
- Pneumatic controls
- Rigid pipe work for added build quality
- Anti vibration pump and stand
- 2 year guarantee on all parts and labour

Whirlpool/spa system shown fitted to a Delano bath. All systems shown can be fitted to any bath shown within this brochure.

## 11 JET AQUASPA Ease aches and pains

Eleven powerful jets join together to create an invigorating whirlpool experience. Our eleven jet design splits the delivery of water by targeting your side areas with 6 larger jets and your back area with 5 powerful multi jets helping to ease away aches and pains. Enhance your bathing experience further by the addition of an In-line water heater and a mood enhancing chromatherapy light.

- 6 chrome adjustable Aqua Dryjet™ whirlpool jets
- 5 chrome AquaSpa whirlpool multi jets
- Pneumatic controls
- Rigid pipe work for added build quality
- Anti vibration pump and stand
- 2 year guarantee on all parts and labour

Whirlpool/spa system shown fitted to a Delano bath. All systems shown can be fitted to any bath shown within this brochure.

## 12 JET AQUA AIRSPA Thousands of tiny bubbles

Thousands upon thousands of tiny bubbles make the 12 jet Aqua AirSpa something really special. Each of the chrome plated solid brass spa jets mounted in the base of each bath deliver an all over soothing massage. Perfect for relaxing after a workout at the gym or maybe just a hard day at work! Enhance this system further by the addition of a 6 jet AquaSpa to benefit from the combination of a whirlpool and spa experience.

- 12 solid brass Aqua AirSpa jets with chrome finish
- Heated AirSpa blower
- Pneumatic control
- 2 year guarantee on all parts and labour

Whirlpool/spa system shown fitted to a Delano bath. All systems shown can be fitted to any bath shown within this brochure.

## 11 JET DELUXE AQUASPA Luxurious relaxation

As the name suggests our 11 jet Deluxe AquaSpa delivers relaxation and luxury at the same time. Fitted with 11 powerful whirlpool jets and fitted as standard with a myriad of optional extras including electronic controls. To fully enjoy the Deluxe system just lie back and relax and unwind in the sanctuary that is your home.

- 6 chrome adjustable Aqua Dryjet™ whirlpool jets
- 5 chrome AquaSpa whirlpool jets
- Chromo relax light
- Low level water sensor
- Electronic touch pad and control box
- Rigid pipe work for added build quality
- Anti vibration pump and stand
- 2 year guarantee on all parts and labour

Whirlpool/spa system shown fitted to a Delano bath. All systems shown can be fitted to any bath shown within this brochure.

---

## 11 JET ULTIMATE AQUASPA Indulge all of your senses

When we set out to design our Ultimate AquaSpa, we wanted it to be just that. It had to deliver the Ultimate 'Home Spa' experience of relaxation, mood enhancing chromatherapy lighting, and thousands of bubbles all of which are controlled at the touch of a button through our advanced electronic touch pad. To fully enjoy the unadulterated luxury that this system has to offer, consider fitting it to our Portofino bath featured within this brochure.

- 6 chrome adjustable Aqua Dryjet™ whirlpool jets
- 5 chrome AquaSpa whirlpool jets
- 12 solid brass Aqua AirSpa jets with chrome finish
- Automatic blow dry system
- Chromo relax light
- Low level water sensor
- Electronic touch pad and control box
- Rigid pipe work for added build quality
- Anti vibration pump and stand
- 2 year guarantee on all parts and labour

Whirlpool/spa system shown fitted to a Delano bath. All systems shown can be fitted to any bath shown within this brochure.

## Optional extras

A wide selection of finishing touches or upgrades help you to create the ultimate 'Home Spa' experience.

1

2

3

4

5

6

7

8

### 1 Chromo relax light

Drawing on the benefits of healing through light, our high spec low energy LED lighting system allows you to enjoy a myriad of changing colours. Picture a warm sunset, a soothing azure pool or the glow of a sunny afternoon, pure relaxation.

### 2 Jellybean pillow

A repositionable foam filled bath pillow, adding comfort and elegance to any bath, essential for full relaxation.

### 3 Aquafill – Whirlpool jet filling system\*

Removing the need for traditional bath taps, this stylish yet practical alternative allows your bath to fill via the whirlpool jets. Comes complete with tap head brassware, choose from either of the two designs illustrated within this brochure.

\*Note Aquafill requires a minimum of 1.5 bar water pressure.

### 4 Whirlpool Aqua Dryjet™

All of the systems shown within this brochure can be further enhanced by adding additional whirlpool jets, talk to your supplier about our bespoke design service.

### 5 Jenny – Pop up waste

High quality stylish chrome plated brass pop up waste.

### 6 Whirlpool multi jet

All of the systems shown within this brochure can be further enhanced by adding additional whirlpool multi jets, talk to your supplier about our bespoke design service.

### 7 Sydney – Overflow waste filler

A stylish alternative to the traditional tap, filling the bath through the waste.

### 8 Aquaclean – Whirlpool and spa cleaner

Aquaclean has been specially formulated for use with all Aquastream Whirlpools and Spas. A fresh Lemon fragrance, Aquaclean should be used every 2-3 weeks, to keep your home spa pipes and fittings clean and fresh.

### In-line water heater

Allows you to heat the incoming whirlpool water, keeping your bath at a constant temperature throughout your bathing.

### RCD circuit breaker

An RCD (sometimes know as a residual current circuit breaker) must be fitted on all Aquastream Whirlpools or Spas. All electrical fittings within a bathroom must be fitted by a fully qualified electrician to current IEE regulations.

### 1.5hp pump upgrade

We recommend moving to a larger pump when specifying a larger bath or combining an AquaSpa and AirSpa within the same design. It guarantees constant full power through both systems when positioned on full power.

## Baths, brassware and accessories

At Aquastream, we understand that when it comes to bathing everyone has individual needs and tastes in both design and style. Choose from one of the baths featured over the following pages – we're sure you will discover one to fit your style and size of bathroom. Then complete the experience by partnering your bath with any of the quality brassware and accessories featured.

From our contemporary and sleek, space-saving Milano design, to the luxurious, spacious Portofino, every design and size of bath illustrated here is cast from strong, stylish Lucite. Which means we can offer a 25-year manufacturer's guarantee on every model. Also, all Aquastream baths can be factory fitted with your choice of any of our whirlpools or spa systems. We leave it up to you to decide how much luxury and relaxation you deserve.

## Delano

Relax yourself from the stress of modern day life in the luxury that is the Delano. A simple yet beautifully crafted bath available in a choice of six sizes. Combine the Delano with any of our five Whirlpools or Spas for added relaxation.

Sizes (in mm length x width)  
1500 x 700, 1600 x 700, 1700 x 750,  
1800 x 800, 1900 x 900, 2000 x 900

Matching acrylic single curved  
front panel available

## Sorrento

Contemporary styling combined with complete bathing flexibility. Both deep and space saving with its sleek corner design, the Sorrento has the added benefits of both a deep bathing area and a rear seat. Combine the Sorrento with any Aquastream Whirlpool or Spa for added bathing pleasure.

## Milano

This innovative single ended bath steps away from tradition. With its slim, aerodynamic lines this bath is a perfect solution for smaller bathing areas. Add a 6 or 11 Jet Aqua-Spa for the perfect finishing touch to any modern bathroom.

Sizes (in mm length x width)  
1700 x 700

White

End waste

100% Lucite Cast Acrylic

Guaranteed for 25 years against  
manufacturing defects

in high gloss white

## Brassware and accessories

Put simply, our high quality brassware and accessory selection has been carefully styled to allow you to make those important finishing touches. Whether it's our Jacob shower screen teamed with Emilia chrome mixer taps, or the elegance of Portofino bathing pillows, be assured your final choice will add real style and elegance to your home bathing experience.

### 1 Jacob – curved shower screen

Style and high quality make the Jacob shower screen the perfect choice for the Corso shower bath. Made from toughened safety glass with chrome fittings, the glass screen is finished off with a curved edge design detail.

### 2 Benjamin – high gloss bath panels\*

Contemporary styling and recessed edge details mean that Benjamin bath panels are the perfect finishing touch to any of the baths featured within this brochure.

### 3 Portofino bath pillows

A stunning finishing touch to the Portofino bath available in Anthracite, you decide how many you need!

### 4 Jellybean pillow

A repositionable foam filled bath pillow, adding comfort and elegance to any bath, essential for full relaxation.

### 5 Sydney – overflow waste filler

Sydney offers a stylish alternative to the traditional tap, filling the bath through the chrome waste. Sydney will work perfectly with either Anthony or Emilia tap heads featured on the opposite page of this brochure.

**6 Charlie bath filler\*\***

With an art deco inspired design, Charlie offers a truly stylish option when choosing your tap design.

6

**7 Anthony – tap heads**

Clean lines and simple styling means that Anthony works with any of our baths. A perfect choice if you have opted to fit the Aquafill system to your whirlpool.

7

**8 Emilia – tap heads**

A modern design inspired by nature, Emilia offers sophisticated styling. A perfect choice if you have opted to fit the Aquafill system to your whirlpool.

8

**9 Bethany bath filler\*\***

Contemporary styling and sleek design details, Bethany taps will enhance any modern bathroom.

9

**10 Abigail bath filler\*\***

Smooth and stylish, subtle curves make Abigail the perfect finishing touch to any bath featured within this brochure.

10

**11 Jenny – pop up waste**

High quality stylish chrome plated brass pop up waste.

11

\* Note Benjamin bath panels are not available for Portofino, Sorrento and Como baths. Sorrento and Como include side panels. Portofino is designed to be sunk.

\*\* Note matching basin taps are available for all of the marked tap options, ask your retailer for details.

## Buying an Aquastream product

We produce the finest contemporary bathroom products, and supply only those showrooms and stockists that share our high standards. They are located throughout the UK, so you'll find one near you – and when you visit, you can rely on receiving the best possible advice on all your bathroom requirements. Also, although we don't sell direct to the public, you can contact us directly at any time if you have a query about any of our products. Remember, everything from Aquastream is built in the UK, using high quality materials. So whatever you choose, you can have confidence in its reliability, durability and ease of use, as well as its stunning good looks.

For your nearest stockist simply go to [www.aquastreamwhirlpools.co.uk](http://www.aquastreamwhirlpools.co.uk) and enter your postcode, or alternatively contact our service team on 01254 681081. [www.aquastreamwhirlpools.co.uk](http://www.aquastreamwhirlpools.co.uk)

## Technical information and specifications

### Guarantees and information

#### Customer care

At Aquastream, our aim is to offer you the ultimate home spa experience. All our whirlpools and spas are factory built and fitted at our manufacturing facilities within the UK. We are dedicated to continual improvement and welcome customer feedback on all our products and services. If you have any comments or suggestions, please contact us using any of the methods shown on the back page of this brochure.

#### Maintenance and cleaning

To keep your Aquastream whirlpool or spa in good working order, we recommend that you clean it every 2-3 weeks using our specially formulated Aquaclean whirlpool and spa cleaner. This will ensure that your pipe work and jets are kept clean and fresh. All baths should be wiped clean with water and a non-abrasive bathroom cleaner. All chrome finishes should be cleaned with a suitable non-abrasive cleaning solution.

#### Safety information

People of all ages can enjoy a whirlpool or spa. However, we recommend that you follow these safety guidelines:

- Never leave children unattended in a bath, whether or not it's fitted with a whirlpool or spa.
- Pregnant women and the elderly should always seek medical advice before using any whirlpool or spa system.
- Anyone taking medication, or unsure for any other reason whether they can use a whirlpool or spa, should seek medical advice before doing so.
- No part of a whirlpool or spa should be removed while the system is working. Any maintenance should only be undertaken by a fully qualified plumber or Aquastream technician.

#### Fitting your Aquastream whirlpool, spa or bath

We recommend that any Aquastream whirlpool, spa or bath is fitted by a fully qualified and registered plumber.

Note - All baths that have been sunk or tiled into a bathroom, should have access panels fitted for maintenance or repair.

Aquastream Whirlpools Ltd guarantee does not replace any fittings or fixtures (including tiles, flooring or any other associated material or labour costs) other than those covered within its 2 year parts and labour guarantee. All Aquastream whirlpool or spa systems MUST be fitted with a residual-current device (RCD) or residual-current circuit breaker (RCCB). **Important note** – all electrics within a bathroom must be installed by a fully qualified electrician to current IEE regulations.

#### Orders

At Aquastream, we supply our products only through quality bathroom showrooms and distributors. You should place your orders with your chosen stockist. However, we would be delighted to answer any technical or design enquiries. Please contact our customer services team using one of the contact methods shown on the back cover of this brochure.

#### Product guarantees whirlpools and spas

All Aquastream products are manufactured using only the highest quality materials, by skilled technicians. These are exceptional whirlpools and spas, built to last. They come with a 2-year parts and labour guarantee. (Please note – all chrome finishes should be cleaned with a suitable non-abrasive cleaning solution.)

#### Baths

All our baths are manufactured using cast Lucite sheet material. This enables us to guarantee them for 25 years against all manufacturing defects. For more information on Lucite, go to [www.lucite.com](http://www.lucite.com)

#### Lead-time

Our normal lead-time is 10 days from receiving your order from the stockist or distributor.

#### Continual improvement

We are always looking to improve the systems and services we offer. We reserve the right to vary the design and specification of our products and services without notice.

#### Copyright

All images and text featured in this brochure are the copyright of Aquastream Whirlpools Ltd. Any infringement of our copyright by any third party will be vigorously pursued. Aquastream Whirlpools Ltd reserves the right to alter or amend the descriptions and specifications given in this publication in light of technical developments and availability of parts and/or materials.
